❖ PRIVACY INFORMATION AND CONSENT CLAUSE (Legislative Decree Nr.96/2003)

As provided by the data protection legislation, Federchimica, as a Data Controller, wishes to inform you about the following aspects.

The information collected at the moment of the registration shall be evaluated by Federchimica on the purpose of allowing the data subject to publish his/her research projects in the dedicated area on our website.

The attribution of user-id and password by our persons in charge allows to access to the reserved area for the uploading documents that shall be utilised in the limits of the goals on the initiative.

In any case the user id and password are not released, the data acquired during the registration shall be properly deleted.

In order to obtain the above mentioned purposes, we manage the information and the documents both in computerised and paper databases and we process the data through modalities strictly pertaining to the highlighted purposes.

The data connected to you shall be communicated to:

- Managers of the companies;
- Professors and University Researchers and Research Centres;
- Professionals of Consultancy Companies, Venture Capitals Funds, Technological Transfers Offices;
- Institutions and Industrial Representative Officers.

These Subjects in some cases should be established in foreign States.

Other ways of communication to third parties and data disclosure are not provided.

The information are processed by our persons in charge whom received specific data protection instructions.

The consent relief for the data processing is optional, but necessary for the illustrated purposes.

The Data Controller is Federchimica, with the main branch in Milan, via Giovanni a Procida No.11.

The Data Processor is the Director of the Technical Scientific Department of Federchimica, who is domiciled for the office in Milan, via Giovanni da Procida No.11.

In any moment you can turn to the above mentioned Data Processor to the following addresses [privacy@federchimica.it; Tel. +39 02 34565.281; Fax. +39 02 34565.329] to obtain an updated list of Processor, or to obtain further information regarding the mentioned processing operations and, in particular, to obtain the erasure, correction or to oppose the use of the information and exercise any other rights pursuant to art. 7 of the legislative decree 196/2003.

In the limits of the purposes and the modalities of data processing illustrated in the present information:

☐ I give the consent

☐ deny the consent

to the personal data processing performed by Federchimica
